#####ATTACHMENT #1CONTRACTOR ASSURANCES FOR TANF INITIATIVESThe Contractor, by signature below, agrees to the following assurances regarding all contracted services, including sub-contracts, if applicable:1. The Contractor must disclose all funding sources and/or programs administered by the contractor. 2. The Contractor must report any NEW funding sources obtained during the contract term within 10 days of receipt of the new funding source.3. The Contractor must provide a revised cost allocation plan to the Contract Manager if any changes in funding occur, which affect services provided through this contract, during the contract period. This change must be reported within ten (10) days of the knowledge of the change.4. The Primary Contractor must ensure that they are only billing one funding source for the same services and participants. The Contractor cannot bill two (or more) funding sources for the same (duplicate) costs for services. For example, if a Contractor has a contract with both DCFS and another entity for the same or similar services at the same or overlapping time of day, the expenses incurred in providing the services cannot be billed to both funding sources.5. The Contractor must ensure no commingling of funds. Commingling means depositing or recording funds in a general account without the ability to identify each specific source of funds for any expenditure. However, to the extent that the funds from each of a series of Federal, State, local and/or private funding sources can be identified with a clear audit trail for each source it is appropriate for those funds to be consolidated for carrying out a common purpose.6. The Contractor must notify the Contract Manager of any permanent schedule changes within five (5) days of the permanent change.7. When a site listed in the contract cannot be established by the date identified in the contract, the Contractor must notify the Contract Manager immediately.8. The Contractor must notify the Contract Manager prior to the establishment of a service delivery site not specified in the contract. Unless in case of an emergency closure, a Contractor should notify the Contract Manager within 30 days prior to the closure that a contracted service delivery site is going to be closed (including temporary closures).9. The Contractor must notify the Contract Manager of address changes (mailing or physical) within five (5) days of making a change.10. The Contractor must notify the Contract Manager of all administrative personnel changes within ten (10) days of the change. Neither the administrative contractor's project director nor any of the administrative contractor's key personnel may be removed or replaced without written permission from DCFS.11. The Contractor must notify the Contract Manager within ten (10) days, when the contractor's authorized representative is replaced. A new Board Resolution must be submitted authorizing the new representative.12. The Contractor must submit copies of all subcontracts for approval by DCFS before finalizing the subcontract. The required sub-contract template and statement of work for direct service delivery is attached in the RFP. 13. The Contractor must maintain documentation that clearly verifies the delivery of service to participants/staff such as, but not limited to, sign-in sheets and individual signatures acknowledging receipt of services when services or service components require individual contact with a participant (child or adult). Documentation deemed acceptable to support invoices for services shall be maintained for three (3) years on site and made available by the Contractor upon request. 14. The Contractor must ensure that all property purchased with contract funds (cost reimbursement contracts only) will be used solely for the authorized purpose. a. The Contractor must maintain an equipment inventory of all items purchased through the administrative (cost-reimbursement) portion of the contract. b. The Contractor must notify the Contract Manager immediately if administrative property is lost, stolen, or broken. A police report is required on all stolen property. Broken property

must be returned to DCFS not discarded. 15. The Contractor must repay to the Department of Children and Family Services any federal sanction or penalty amount determined by single state audit or other reviews, which sanction or penalty is directly related to the services provided pursuant to this agreement and is imposed as a result of the negligence or fault of the Contractor.16. # SEQ CHAPTER \h \r 1#Contractors are required to recognize the funding agency (DCFS) on all outreach material. Any media releases must be coordinated with the DCFS Communications Director. All media and published materials including, but not limited to brochures, posters and training booklets purchased with Agency funds must display the DCFS logo.17. Contractors must have written policies regarding domestic violence. The policy should cover staff and participants. The policy should reflect how participant referrals are made to the appropriate agency and how each contractor will work with that agency to ensure that appropriate services are provided. 18. Contractors must have written policies regarding substance abuse. The policy should cover staff and participants. The policy should reflect how participant referrals are made to the appropriate agency and how each contractor will work with that agency to ensure that appropriate services are provided. 19. Contractors must have a written policy regarding child abuse reporting requirements. The policy should cover staff and participants. The policy should reflect how participant referrals are made to the appropriate agency and how each contractor will work with that agency to ensure that appropriate services are provided. 20. Contractors shall ensure that any staff or volunteer in a position of supervisory or disciplinary authority over children will have the appropriate background checks as required by Louisiana State Law see R.S. 15:587.1 see # HYPERLINK "http://www.legis.state.la.us/" ##http://www.legis.state.la.us/# 21. Selected contractors must maintain adequate liability insurance and adopt referral procedures that limit liability risks. The Office of Risk Management recommends a minimum of \$1,000,000 in coverage.22. Contractors shall cooperate with any evaluations as required by the agency.23. All records, reports, worksheets, performance and outcome data, sign in sheets, or any other material related to the contract shall be maintained by the contractor for three years, are subject to inspection, and may become the property of the Department of Children and Family Services. Information will be delivered upon demand to the State or its designee in the manner in which such reports, files, and documents are kept in the ordinary course of business.24. The Contractor has reviewed the standard provisions in the contract, understands and agrees to all provision.I have reviewed the above assurances and agree to comply with all contract assurances and provisions:##

Neither party shall be liable for lost profits, lost revenue or lost institutional operating savings. The State and Authorized User may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due Contractor, or may proceed against the performance and payment bond, if any, as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.
